

THAANU PERERA

UI UX Designer

<https://thaanu.me/>
thaanup@gmail.com
+94 773 298 319
Colombo, Sri Lanka

I am a UI UX designer with a focus on wireframing at varying levels of fidelity, prototyping and user experience researching.

I have experience working with teams to brainstorm on different concepts.

I have cross-platform mobile application development and web development experience as well.
